Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

Laurieton Men's Shed is OPEN -

COVID Awareness. Continuation of distancing and hand hygiene measures is encouraged. If you're unwell, please stay away from the shed.

Happenings Around Your Shed.

Christmas Party Friday 16th December.

Were you there?

Special thanks to John Toth and his team of helpers for the preparation of the tables and food. Brian became barman for most of the day. We rarely get so many shed members and their partners together for a social occasion.

Attendance was so good that there wasn't

enough room for everyone inside.

OTHER ACTIVITIES.

A social afternoon was held on Friday 23rd December, with John Toth providing delicious quiches for the hungry attendees. A relaxing way to wind down before the 2 week closure.

Some essential maintenance and repair work was done while most of us were enjoying the holiday period. The Shed reopened on Monday 9th January and it is now business as usual.
