Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

COVID Awareness. While the sharing of interests, skills and ideals is encouraged at the shed, one thing we don't want to share is infectious disease. If it is six months or more since your last jab, consider getting a boost. If you're unwell, please stay away from the shed.
