Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

COVID Awareness. News is that COVID infections are increasing again. If it is six months or more since your last jab, consider getting a boost. If you're unwell, please stay away from the shed.

Happenings Around Your Shed.

LMS Secretary.

Following the shock resignation of Wayne McGrath from the committee, Phil Sutherland has volunteered and been appointed to the Secretary role. Please assist Phil in any way you can while he adapts to this busy position on the committee.

Laurie Orchard retirement from Choir Master.

Special Pizza Lunch Tuesday 13th February.

A good turnout of current and former choir members with pizzas and other foods washed down with a few beers to thank Laurie for his contribution over the past 10 years.

Mangoes.

Thanks to whoever shared their surplus mangoes with with fellow shed members. Unfortunately the local wildlife enjoyed the leftovers during the weekend and left a bit of a mess to be cleaned up.

Turbo Terry

Looks like he tried to wring the neck of a line trimmer (aka whipper snipper), that didn't cooperate..

For a Laugh.

Two Muslims have crashed a speedboat into the Thames barrier in London. Police think it might be the start of Ram-a-dam.

I was explaining to my wife last night that when you die you get reincarnated but must come back as a different creature. She said "I would like to come back as a cow". I said you're obviously not listening.
